(NOT) ONCE OR TWICE

RANDOM: This isn't once upon a time  
This isn't twice upon a time  
It's more than once or twice. It happens every day  
So everybody listen out for what I have to say.

Oweh oweh oweh ah ha ha  
Oweh oweh oweh ah ha ha

Just once I'd like to think that everybody here  
Thought twice and showed that they knew how to persevere  
And once you found that things weren't always what they seem  
You're twice as likely then to be living the dream

Oweh oweh oweh ah ha ha

Now once upon a time will no longer apply  
It's twice I've said it so it's time to tell you why  
And once I tell you what will happen here today  
Think twice before deciding that you know the way

Oweh oweh oweh ah ha ha  
Oweh oweh oweh ah ha ha

Not once or twice but every day  
You need to try a different way  
Not once or twice but many more  
New things will happen than before.  
Not once or twice but every day  
You need to try a different way  
Not once or twice but many more  
New things will happen than before.

Oweh oweh oweh ah ha ha  
Oweh oweh oweh ah ha ha

Just once I'd like to see that everybody here  
Took twice as much time looking for a new idea  
And once you found it you will find that you've begun  
To twice as often have at least three times the fun

Don't wait for once upon a time  
Don't wait for twice upon a time  
Don't wait for once or twice or three or four or five  
Six seven eight nine ten or more to really be alive

Not once or twice but every day  
You need to try a different way  
Not once or twice but many more

NOTHING

CLAIRE: This really isn't fair  
I'm playing solitaire  
While friends are having fun  
This job has just begun  
I'm trying to be good  
Just like I'm told I should  
I'm stuck where things are stored  
I'm lonely and I'm bored.

I put my hands up in the air and I touch nothing  
Look in and out and everywhere but there is nothing

This is all so dumb. Look what I've become  
I'm a tragedy Look here you will see nothing  
Will my friends recall I am here at all  
They all disappear I am stuck here with nothing  
There's nothing here at all

It might be fun they said  
What would you do instead?  
Lie in or watch TV  
That sounds okay to me  
Since when was it a crime  
To waste a bit of time?  
But now I must ignore  
What holidays are for

NOTHING (CONT)

Although the days are sometimes long when I've done nothing  
I really don't see what is wrong with doing nothing?

There are better ways to spend holidays  
What a boring day. I should learn to say nothing  
Lend a helping hand. Not what I had planned  
This just isn't fun Nothing with come of nothing  
There's nothing here at all

RANDOM: Hey. Here's a chance. Don't refuse it  
You got a brain in your head. Why don't you use it?  
There is potential. It's one of those days  
That could end up as totally amazing.  
You're raising the roof with your complaining  
Would you rather hang outside when it is raining  
Or gaining something you weren't expecting  
Stop the resisting, try connecting

CLAIRE: I put my hands up in the air and I touch nothing  
Look in and out and everywhere but there is nothing  
Why did I ever volunteer for all this nothing?  
There is no silver lining here. No, there's just nothing

This is all so dumb. Look what I've become  
I'm a tragedy when you look at me  
While I'm doing chores everyone ignores  
This poor sucker here, stupid volunteer.  
Will my friends recall I am here at all  
They're on holidays I am stuck here with nothing  
There's nothing here at all.

RANDOM

RANDOM: This is the time. This is the place  
This is your chance. But just in case  
You're holding back. You feel unsure  
Don't understand what this is for  
You've got to learn to go with the flow and  
You've got to know when to jump  
You've got to put your hands in the air and pump  
That's right now up up up  
That's right now round and round  
That's right you shouldn't be on the ground.

RANDOM (CONT)

CLAIRE: Why does everybody have their hands in the air  
I don't understand it  
This was meant to be a place where nothing would happen  
Well that's how I planned it.  
It's random. Random.

RANDOM: Now just relax. Just feel the vibe  
It's something new you can't describe  
You've got to open up your mind  
And leave the boring times behind.  
You got to see the ways things can be and  
Not just see things as they are  
Don't wait for it to fall  
You can touch a star  
That's right now up up up  
Yes you can touch the sky  
It can be fun but first you must try

CLAIRE: Why does everybody have their hands in the air  
I don't understand it  
This was meant to be a place where nothing would happen  
Well that's how I planned it.  
Why does everybody have their hands in the air  
I try to resist it  
But if it is a good time everybody can have  
I'd hate to have missed it  
It's random. Random

RANDOM: Want you to close your eyes  
Don't be a silly child  
You've got to open up, let you thoughts run wild  
Run wild

CLAIRE: Hey look everyone I've got my hands in the air  
I'm participating  
This is so much better than ignoring the fun  
And I'm celebrating  
Hey look everyone I've got my hands in the air  
I couldn't resist it  
It's the kind of fun that everybody can have  
And I have not missed being random. Random. Random.

## NEVER FAR AWAY

CLAIRE: It's okay for you  
In stories things always work out  
What am I to do?  
I don't know what this day's about  
I came here thinking that I'd spend the day alone  
Then you turn up and tell me that I shouldn't moan  
This is confusing but there is one thing that's clear  
Though I'm alone I know that somehow you are here

MARVIN: I am never far away  
You know I'm always there for you  
I am never far away  
And when you need me I'll come through  
And if you feel abandoned  
Wait and see  
You're never far away from me

CLAIRE: When I look around the room  
It's clear that no-one's there  
But since I've got to know about you  
I've become aware  
Being alone is not a lonely thing to be  
When I am thinking of my friends they're here with me.

MARVIN: They are never far away  
You know they're always there for you  
They are never far away  
And when you need them they'll come through  
So put your hands up in the air  
If you know you've got friends out there

CLAIRE AND MARVIN: Never far away. Never far away. Never far away.  
I am never far away  
You know I'm always there for you  
I am never far away  
And when you need me I'll come through  
And if you feel abandoned  
Wait and see  
You're never far away from me

### MY PEOPLE KNOW HOW TO PARTY

CHARLIE: My people know how to party. My people know how to party  
Get us all together any day or night We know it will be alright  
We know that we're gonna have a good time  
Everyone is smiling every time we meet and we're moving to the beat  
Feel the drums, the rhythm and rhyme  
I know I know that good times are here  
When you hear the music playing  
Then you'll see what I am saying  
My people know how to party. My people know how to party.  
There's no hesitating. Let the fun begin Everybody joining in  
Everybody get up on your feet now  
I know maybe some of you will hesitate or will want to sit and wait  
But you gotta feel the beat now  
It's not the time to be holding back  
Don't be still as if you're sleeping  
No more looking, time for leaping  
My people know how to party. My people know how to party.  
It's an open invitation. It's a time for celebration  
What's the point of hesitation?  
Look at the good time we're having  
My people know how to party. My people know how to party.  
My people know how to party. My people know how to party.

### BUSTING THE BIG B

CLAIRE: There used to be a time when I was going nowhere  
Sitting in my room and feeling sorry for myself  
But now I'm really out there  
I am in control and now there is no question  
That the bars that kept me in are gone  
Now I know what's really going on  
Now the blindfold's off and I can see  
It was really always up to me  
And look how things have changed now  
Everywhere I look a million possibilities  
Are grabbing my attention  
It is so exciting and it's hard now to believe  
That I ever said that I was bored.  
But now I'm busting the big B, b-busting the big B  
B-b-busting the big B b-b-b-b-b-b-busting the big B  
Sing it with me now.  
Busting the big B, b-busting the big B  
B-b-busting the big B b-b-b-b-b-b-busting the big B

**BUSTING THE BIG B (CONT)**

Just look at how my life is getting so much better  
Now I'm not complaining that I have nothing to do  
It's clear that I was lazy  
That's the situation that I always would confuse  
With the feeling life was passing by  
It was there but I just had to try  
To get over all my apathy  
And not wait for life to come to me  
It takes imagination  
And a little less of only thinking me me me  
To change your situation  
Once you change your attitude the rest comes easily  
You can do it. It is not that hard  
You'll be busting the big B, b-busting the big B  
B-b-busting the big B b-b-b-b-b-b-busting the big B  
Sing it with me now.  
Busting the big B, b-busting the big B  
B-b-busting the big B b-b-b-b-b-b-busting the big B  
There's a world of opportunity  
Life's exciting living randomly  
Busting the big B, b-busting the big B  
B-b-busting the big B b-b-b-b-b-b-busting the big B  
Sing it with me now.  
Busting the big B, b-busting the big B  
B-b-busting the big B b-b-b-b-b-b-busting the big B

There used to be a time when I was going nowhere  
Sitting in my room and feeling sorry for myself  
But now I'm really out there  
I am in control and I'm not sitting on the shelf  
And look how things have changed now  
Everywhere I look a million possibilities  
Are grabbing my attention  
It is so exciting and I'm doing it with ease.

### MAGIC CARPET

CLAIRE AND GRANDPA: Close your eyes and climb up here  
And all your troubles disappear. There's no denying  
Sky above and land below  
And magic carpet is the way to go. We're flying flying  
Away away away oh oh. Away away away oh oh.  
Away away away oh oh. Away away away oh oh.

Put away the frustration  
Use your imagination  
There's a world to explore now  
Watch us fly through the door now  
With the sun on my face and the wind in my hair  
Touch the clouds with my hands in the air  
Magic carpet fly. Magic carpet fly  
Away away away oh oh. Away away away oh oh.  
Away away away oh oh. Away away away oh oh.  
There are no limitations  
Set on our destinations  
There is so much you can see  
If you fly away with me  
With the sun on my face and the wind in my hair  
Touch the clouds with my hands in the air  
Magic carpet fly. Magic carpet fly

It's amazing It's so strange  
Tell me what's that mountain range?  
And that river down below  
Where's it from? Where does it go?  
Now that desert seems so vast  
But those dunes are shooting past  
There's a jungle dense and green  
Look a castle. Where's the queen?  
Who'd have thought a great big city  
From up here could look so pretty  
Valley, forest, waterfall  
Flying past them all  
Away away away oh oh. Away away away oh oh.  
Close your eyes and climb up here  
And all your troubles disappear. There's no denying  
Sky above and land below  
And magic carpet is the way to go. We're flying flying  
Magic carpet fly. Magic carpet fly  
Away away away oh oh. Away away away oh oh.  
Away away away oh oh. Away away away oh oh.
